

Returns, Refunds & Cancellation Policy

At Decoristta, we carefully inspect and pack every product to ensure it reaches you in excellent condition. If you experience any issues with your order, we're here to help and will work towards a fair resolution.

1. Damaged, Defective, Incorrect or Missing Products

If you receive a product that is damaged, defective, incorrect, or incomplete, please notify us within **24 hours of delivery** by emailing info@decoristta.com.

To help us verify your claim, please provide:

- Clear photographs of the product and its packaging.
- An **unboxing video recorded from the moment the sealed package is opened** (mandatory for claims related to damage, missing items, incorrect products, or manufacturing defects).

Claims submitted without an unboxing video may not be eligible for approval.

2. Easy Returns

If a product doesn't suit your space as expected, you may request a return within **7 days of delivery**, subject to the conditions below.

Return Eligibility

To qualify for a return, the product must:

- Be unused and unwashed.
- Be in its original condition.
- Include all original packaging, tags, manuals, accessories, and invoices.
- Be free from stains, scratches, damage, or signs of use.

For partial returns, please hand over only the items approved for return.

3. Return Process & Refund

- All return requests are subject to approval by the Decoristta Care Team.
- Return pickups will be arranged at no additional cost, subject to serviceability.

- Once the returned product is received and successfully passes our quality inspection, the refund will be initiated to the original payment method used during purchase.
 - Refunds will be processed within **5–7 business days** after successful quality inspection. Depending on your bank or payment provider, it may take additional time for the amount to reflect in your account.
 - For **Cash on Delivery (COD)** orders, refunds will be processed via bank transfer or another suitable payment method after the required bank details are shared by the customer.
 - Original shipping charges paid during order placement are **non-refundable**, except where the return is due to a damaged, defective, incorrect, or incomplete product delivered by Decoristta.
 - If a customer refuses delivery without a valid reason or requests a return for reasons other than a product defect or Decoristta error, applicable forward and reverse shipping charges may be deducted from the refund amount.
-

4. Quality Inspection

Every returned product undergoes a quality inspection before the refund is approved.

If the returned item:

- Shows signs of use,
- Is damaged after delivery,
- Is missing original packaging, tags, or accessories,
- Does not match the product originally shipped,

Decoristta reserves the right to reject the return request. In such cases, the product may be shipped back to the customer, and no refund will be issued.

Return requests can be submitted through:

- **Email:** info@decoristta.com

Our team aims to respond within **48 business hours** of receiving your request.

6. Reverse Pickup & Unserviceable Locations

Complimentary return pickup is available only in locations serviced by our courier partners.

If reverse pickup is unavailable for your pincode:

- We may request you to self-ship the product.
- Reasonable courier charges may be reimbursed after verification, where applicable.
- Alternatively, pickup will be arranged once the location becomes serviceable.

Our courier partner will generally attempt pickup up to **two times**. Additional pickup attempts may attract extra charges.

Minor variations in:
